United Association Launches Canadian Website:

The United Association of Journeyman and Apprentices of the Plumbing and Pipe Fitting Industry of the United States and Canada (U.A.) launch Canadian website.

Waterloo, ON, July 13 2008: With over 50,000 members strong in Canada and over 300,000 members across North America representing the pipe fitting industry the United Association is proud to announce the launch of www.UACanada.ca: The Canadian website has been designed to serve as a resource, an information station and a destination for anyone with an interest in the plumbing and pipe fitting industry. Steve Morrison, special representative for the U.A., said "the union is looking to hire 10,000 new people across Canada. With the looming retirement of many baby boomers and the red hot oil patch in Alberta, there is a desperate need for skilled workers."
